Abila Security & Investigations, Inc.

Existing Government Contract Vehicles

We support critical national security programs through a variety of contract vehicles that make it easy for our customers to obtain high-quality services quickly and efficiently. Our contract vehicles, including Indefinite Delivery, Indefinite Quantity (IDIQ), fixed-price, cost-reimbursement, labor-hour, time-and-materials, and other types. As described below, some IDIQ contracts are limited to specific agencies; others are Government-wide Acquisition Contracts (GWACs), available to all agencies.
